

How to Access Order Documents

To view your invoices and delivery notes on the REIMAN website, go to your **Customer Area** via the **Dashboard** in the upper right corner of the page, and select **"My Account"**.

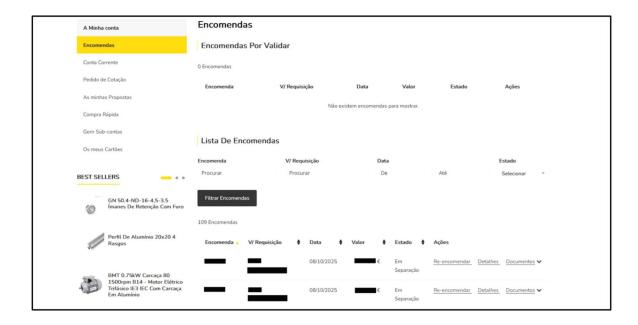

Next, click "Orders" to open the orders menu, where you can view all registered orders and access their respective details.

Next, you will find the second table, which displays orders that have already been validated or are in the picking process.

In this table, there is an option called "**Documents**", accompanied by an arrow. Clicking on this option opens a menu with choices related to the selected order.

When the new window with the available documents opens, click on the document you wish to view.

The file will load automatically in your browser, allowing you to view it immediately.
