Aluminum

Powder coated

- Black, RAL 9005, textured finish **SW**
- Silver, RAL 9006, textured finish **SR**

Cover cap for type C

Plastic

- Black for SW
- Light gray for SR

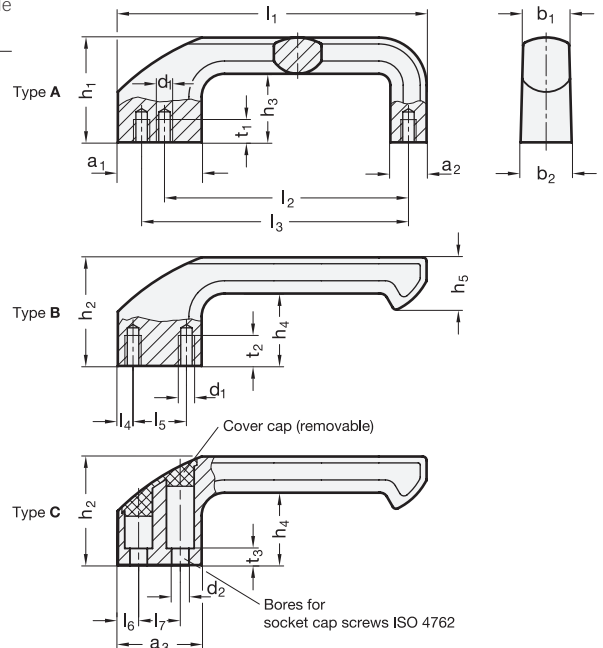

INFORMATION

A special characteristic of the cabinet U-handles GN 559 is the thumb rest pad on the front of the leg. At the same time the extended leg offers an open ended version with wide access.

The fastening bores of type C are closed by a cover cap following the handle installation. The cover cap is included in the delivery contents. Cabinet U-handles GN 559 are known for their high stability. They are fixed by two M8 screws whereby type A offers two alternative hole centers (l_2 or l_3).
