

## T-Nuts

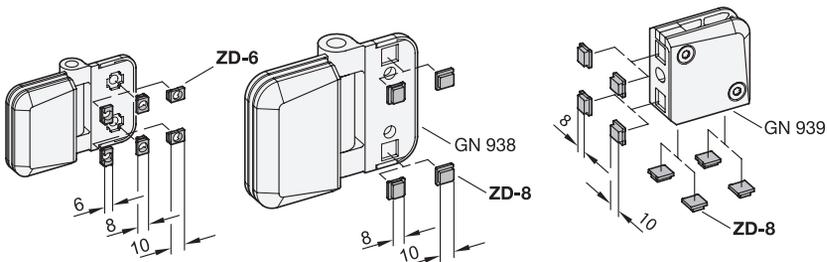

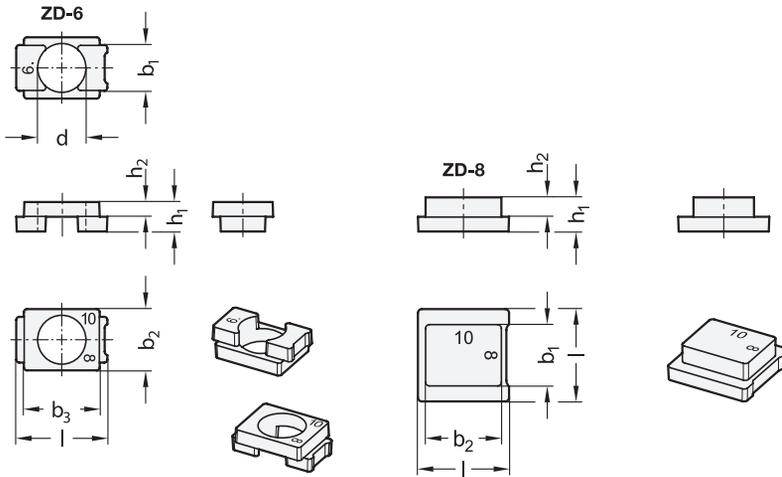

for Hinges GN 938 and Panel Support Clamps GN 939

### SPECIFICATION

Zinc die casting ZD  
Plain finish

### INFORMATION

T-nuts GN 938.1 are offered as accessories for hinges GN 938 (see page ) and panel support clamps GN 939 (see page ).  
When fastening the hinge or clamp to aluminum profile systems, the T-nuts will center and position the clamps with correct alignment.  
Depending on how the T-nuts are oriented, they may be used in a variety of slot widths.
